Dear Shudh,

I was happy to receive the minutes of your Executive Committee meeting and to know that you have been unanimously elected as President. This is a recognition of the valuable services that you have rendered to the INOC (I) over many years. This being the only recognized organization by the Indian National Congress in the United States, its functioning has a special significance. I wish you and your new team all the best in the years ahead.

With kind regards,

Karan Singh
