**Sri. R. Bijumon – A leading lamp for Disabled, Downtrodden and Poor masses**

Sri. R. Bijumon was born at Idukki District in Thodupuzha Taluk at Moolamattom. He was born as the third child of his parents and unfortunately by birth he was not blessed with full sight. He is not having vision for right eye only. But he never considered this congenital defect as his drawback. By realizing his limitations he strived hard to make his life a wonderful success, and raised the flag of victory beyond horizon.

Even though he was born in a poor family, he fought with his miseries and causes and at his 32<sup>nd</sup> year he entered in the Govt. service as a Peon in Revenue Department through Govt. Policy of handicapped appointment. But he never ignored and forgot the ocean of miseries that had been crossed by him with his will power and courage.

He expanded his sphere of social activities by providing consoling to thousands of people and became a place of abode to downtrodden masses in connection with santhwanam a society of non residents of Keralites in Kuwait and also in coordinate with different Govt. Project aimed to the well being of poor and needy people he made available financial aid to several people from Karunya a project of Kerala State Govt. for the treatment of about 1500 cancer patients and also for other grave diseases he made available financial assistance to several people affected with cancer and grave diseases. His service and attempts in this regard cannot be ignored. Without considering his physical restrictions all his activities aimed to serve the society and social being is praise worthy. He participated in rescue activities in connection with Pullumade tragedy at Pullumedu in Idukki about 120 persons died and more than 300 persons injured. Sabarimala and Thekkady Boat tragedy about 44 persons died at Idukki District. By considering his meritorious services in different sphere of life, Government awarded him with Five Good Service Entry Certificate. He also won Kerala State Government best handicapped employees Award in 2012. He has already won best empowerment in the Disabilities award 2017 and received the same from his Excellency President of India. It is inevitable to provide encouragement and support to all activities of Mr. Biju who is always fighting for well being and upliftment of poor and needy people. Absolutely it will provide an inspiration to Mr. Bijumon for his future social activities.
